## OUR STORY

It all began in 1904 when the building which now houses the hotel became the base of the Dutch Newspaper De Tijd.

It was a place where stories were born, written and ultimately brought to life in INK.

This former use of the premises also explains the name of the hotel. INK Hotel Amsterdam is the place where stories are yet to be written.

The 3 themes: 'Stories, Ink & Time' play the leading role at INK Hotel Amsterdam.

They determine our unconventional choice for the interior, staff and facilities.

General Manager Jolanda Sadni Ziane believes all these aspects contribute to a memorable stay at INK Hotel Amsterdam.

## THE DECOR

To bring our unique concept to life, the outstanding design of the hotel is created by Concrete Architecture. The facade, entrance, rooms and numerous facilities still show the charm of the historic building, just like other MGallery by Sofitel hotels.

The entrance of the hotel is a replica of life in Amsterdam: colourful, lively and inspirational. Once visitors pass the reception table with check-in tablets, they will find themselves in an open patio.

The overarching glass roof and stately tree make it feel as though they are entering one of Amsterdam's many courtyards.

“At INK Hotel Amsterdam, we blurred the boundaries between the outside and the inside with plenty of greenery, rough stone, glass walls and natural light.”

– Concrete Architecture

## THE ROOMS

INK Hotel Amsterdam has 149 rooms, all carefully designed.

The hotel features six different room types, starting from our 'Classic Rooms', all the way up to 'The Editor in Chief Suite'. Each room provides a feeling of natural light and space in a different way. In each room the open bathroom, white marble details and touches of messing create both a modern feeling, along with a spacious look.

In addition, a great deal of attention is paid to applicable details, such as an hourglass which refers back to the themes 'Stories, Ink & time'.

A special feature is our 'soft atlas' of Amsterdam which is featured on the walls of our rooms. These chalk-like drawings are designed by Jan Rothuizen and tell the story of Amsterdam in a funny and recognizable way.

## PRESSROOM

PRESSROOM is INK Hotel Amsterdam's vibrant heart, where the former newspaper press from the 'De Tijd' was located. This bright restaurant is filled with inkpots, typewriters and blue INK pens. It functions not only as the living room of our hotel guests, it's also a place where locals gather to eat, drink, work and meet.

Our chef finds inspiration all around the globe, but has a soft spot for local ingredients.

You'll find local classics with a contemporary twist next to international culinary superstars.

Taste our Executive Chef's favorite dishes by trying our Chef's menu. Enjoy a 3 up to 6 course menu, featuring a wide variety of tastes from our kitchen. Treat yourself to your favorite cocktail. We've got some insanely talented bartenders, shaking up the sweetest, stiffest and most innovative drinks in town.

## THE GARDEN ROOM

Have a quaint meeting with your colleagues in our fully equipped Garden Room. Need a lot of daylight? We have that. Crave some privacy? We have that too! Our Garden Room facilitates 12 people in a boardroom set-up and is located right next to our Garden, which is perfect for a fresh air break.

Visual equipment, sound equipment and quick WiFi are just a few of the advantages when hosting a meeting at our venue. Our Garden Room also serves as an area for private dining. Our Executive Chef is more than happy to serve you with a personalized culinary experience.

## THE LIBRARY LOUNGE

You'll feel right at home. It's the perfect place to enjoy your after-noon tea, relax over drinks or curl up with a book in a comfy chair. There are beautiful books and newspapers available for you to read.

The Library Lounge can also be reserved for private drinks or get-togethers. The PRESSROOM staff will be more than happy arranging the right setting for you and serving high quality drinks and bites to your guests.

Traces of the history can be found all over the library as well, one of the first editions of newspaper 'De Tijd' is printed on the walls and a range of books is presented on the shelves.

## THE FITNESS CENTRE

Break a sweat in our fitness centre. It's got all the equipment you need to keep you in shape. It's open 24/7. You'll find it on the ground floor, opposite of PRESSROOM. Indulge in dessert and exercise the guilt right off.

Do you prefer to work out in the fresh air? Go for an Amsterdam Run. Join the continuous crowd of fanatics that can be found in the Vondelpark. Around the clock, you'll find people running, rollerblading, riding bikes and long boards or doing bootcamp on the grass. We've mapped out a route for you, running the canals and the park.

## THE FACILITIES

The facilities of INK Hotel Amsterdam tie in perfectly with the wishes and requirements of today's guests. We feel that service is about focusing on the little details, therefore we offer free newspapers in PRESSROOM, an early to-go breakfast for guests who are in a hurry and many more little extra's.

The hotel features 24/7 room service, a fitness area and an all day dining concept. This all to offer our guests the most memorable stay possible.
